Story Time Corner

The Best Team!

1

Since we won the Flying Derby, Minimus and I have been training hard. Today, we're trying a new challenging obstacle. The hedge wall! I'm so excited, but poor Minimus is a bit scared!

2

"We're nearly there!" I tell him, but he's too frightened, and he keeps slowing down. The hedge seems even higher...

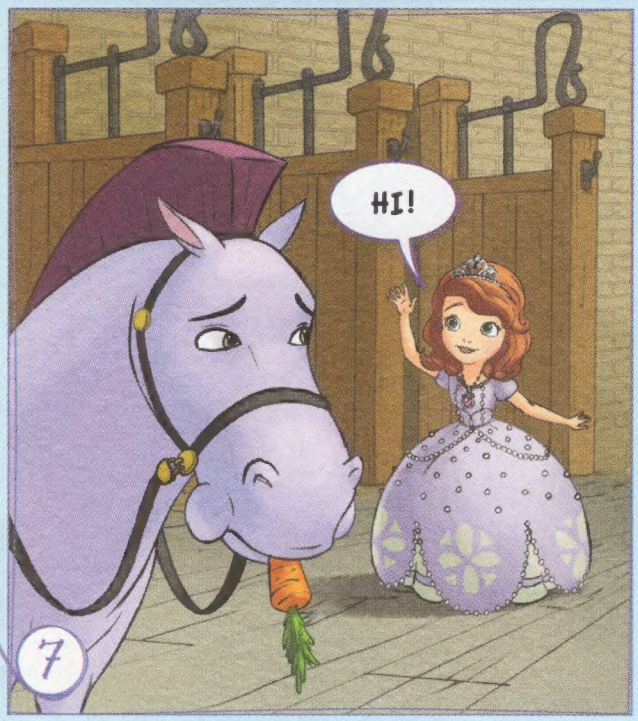
3

Oh, no! Minimus and I didn't make it. Here we are stuck on top of the hedge! How will we get back down now?

Phew! Minimus got the courage to fly down. He's sorry. "Don't worry, we'll try again!" I tell him.

But then, Prince Hugo laughs at us. "You'll never make it! I wonder how you ever won the Derby," he says.

"What if Prince Hugo is right? Maybe we are not so good after all," I think out loud. Minimus goes back to his stable, and says he doesn't feel like training anymore.



Next morning, when I pop in at the stables, Minimus tells me he won't train today either. Maybe he's feeling a bit tired...

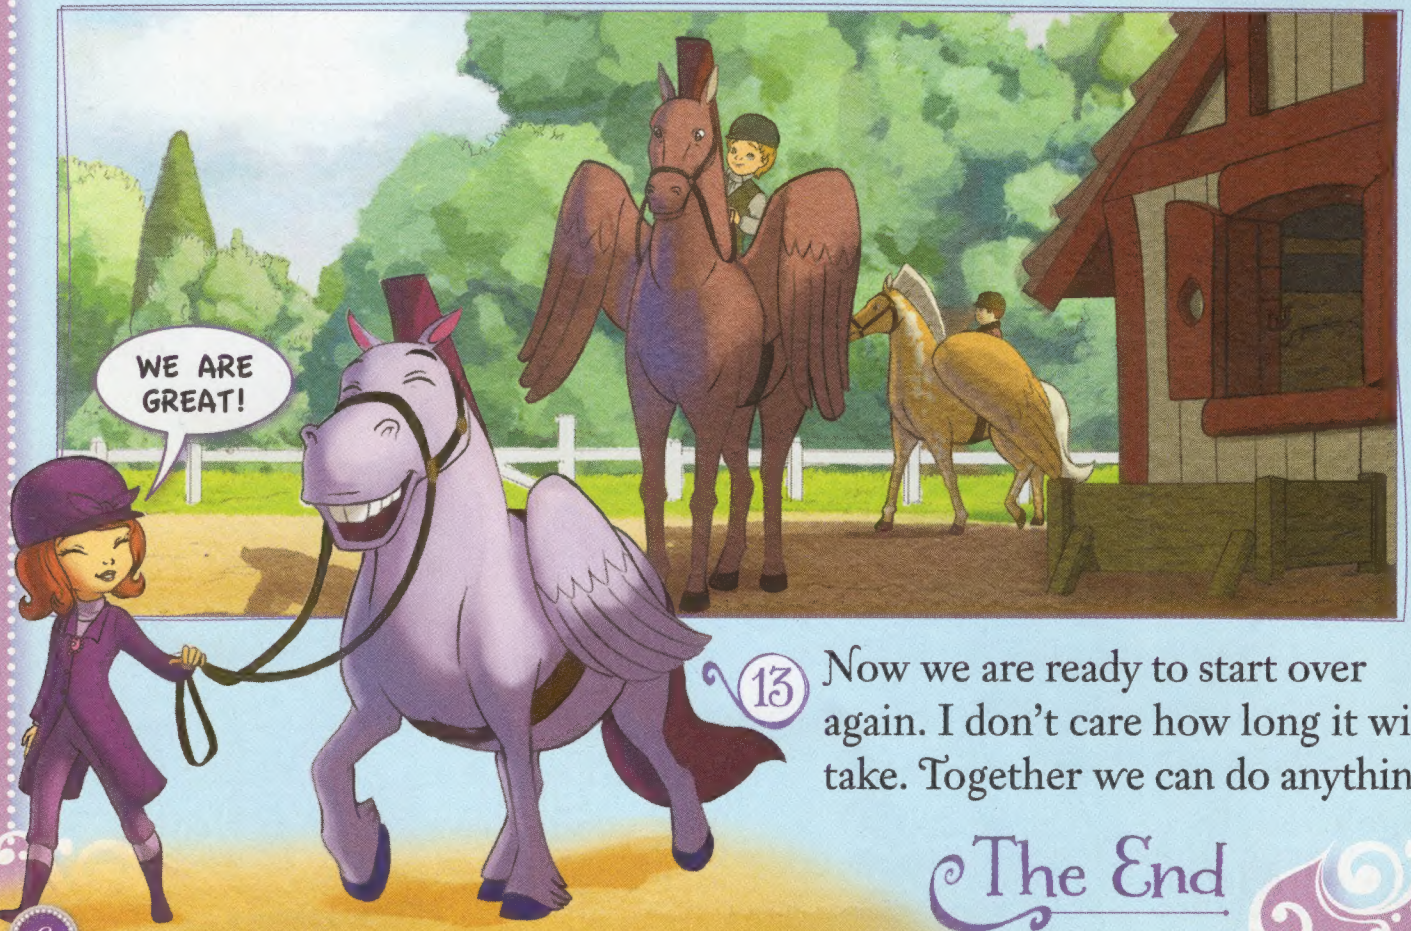
I go back to Amber to ask her for advice, but Hugo comes over again and makes fun of me and Minimus. He's so annoying!

"Sofia and Minimus are the best team, and they really deserved to win the Derby!" Amber cries. Hugo's so surprised that he doesn't know what to say to Amber!

I suddenly understand what Amber really means. Minimus and I trust each other. We are an awesome team, how could I have doubted? I have to tell Minimus right now!

I can't wait to apologize to him. Now I know why he didn't want to train. I hurt his feelings, because I didn't believe in him...

...but I'll never do it again. Minimus is the best horse in the whole Kingdom and I love him just as he is!



Now we are ready to start over again. I don't care how long it will take. Together we can do anything.
